Copy forwarded to the Secretary to Government, Rehabilitation Department, Bombay for information with reference to Govt.resolution No.R-141 B dated 30-7-1949.

To avoid misclassification of the expenditure in the accounts a new subhead 'Custodian of Evacuee Property' has been opened to record the expenditure on Pay and Allowances of the regular staff and office contingencies in connection with the Administration of the Bombay Evacuee (Admp.of Property) Act 1949. Necessary sanction of Government may please be accorded to xx the same.

3. It is ....

3. It is also requested that the orders of Government regarding the sub-head and detailed head may please be issued at a very early date.

4. It is presumed that the Custodian of Evacuee Property will be the controlling officer in respect of this expenditure and he will be responsible for the reconciliation of the figures of expenditure in this office. If not, necessary orders in the matter may also please be issued.

Orders opening a sub-head for recording expenditure on the pay and allowances of the establishment sanctioned in connection with the administration of the Ex Bombay Evacuees (Administration of Property) Act 1949, have already been issued vide G.R., R.126, dated the 16th September 1949. The A.G.'s sanction in opening a sub-head in anticipation of Government sanction may be approved.

2. The presumption made in para 4 of the A.G.'s foregoing endt. is correct. The Custodian is in overall charge of the administration of the Act. We may declare the Custodian as the controlling Officer. He will be responsible for reconciliation of the expenditure under the sub-head. It is proposed to create a post of Accounts Officer in the Custodian's Office and there is already an accounts section sanctioned under the Custodian. The Finance Department may see u.o. for concurrence.

3. Incidentally, since the Custodian will be the final authority in respect of the administration of the act in this province and the Dy. Custodians and their staff are under his control, it seems desirable to declare him as a Head of Department. The F. D. may be requested u.o. to agree, if this is approved.

Para 1. of the R.H.D.note overleaf :- F.D. may agree.

2 Para. 2 of the R.H.D.note overleaf :- F.D. may concur in the view expressed by that Deptt. It is however presumed that the proposal regarding creation of a post of Accountant is separately under consideration and that the proposal is not to be considered on thse papers.

The presumption is correct. I think the papers have been sent to A.G.
